Bedford Rowing Club is run and supported by members volunteering to support the running of on water rowing activities and land-based training activities.

Members also volunteer to support the running of the bar and hire facilities which in turn generated funds to support maintenance of the boat house and boats. This helps keep our subs as low as possible

You don't always have to join a committee, financial or accounting knowledge, promoting our facilities on social media, emptying bins, hoovering the gym are all jobs which help the running of the club.

If you have any skills, ideas or time to assist the club in any way we would love to hear from you.
